The Company shall credit the Employee for the Employee's past service with CATCo Investment Management Ltd. for purposes of eligibility, vesting and benefit accruals under the Company's employee benefit plans, except to the extent such service credit would result in the duplication of benefits. 8. **Confidentiality, Intellectual Property and Restrictive Covenants.**

8.1 The Employee hereby acknowledges that, by virtue of the Employee's unique relationship with the Company pursuant to this Agreement, the Employee will acquire and have access to Confidential Information (as defined below) and will also develop a unique and comprehensive familiarity with the Company and its Business (as defined below) and affiliates, which the Employee would not have otherwise had but for the Employee's employment with the Company, and which the Employee acknowledges are valuable assets of the Company and its affiliates. The Employee further acknowledges and agrees that the covenants in this Section 8 also are reasonably necessary and appropriate to protect the value of the goodwill and other assets acquired by the Company pursuant to the transactions contemplated by the Purchase Agreement. Accordingly, the Employee agrees to undertake the obligations in this Section 8, which the Employee acknowledges are reasonably designed to protect the legitimate business interests of the Company and its affiliates, without unreasonably restricting the Employee's post-employment opportunities.

8.2 The Employee acknowledges and agrees that all Confidential Information is, shall be and shall remain the property of the Company. The Employee agrees and covenants with the Company, as follows, subject in each case to Section 11 below:

 - (e) Nothing herein prohibits the Employee from disclosing Confidential Information as legally required pursuant to a validly issued subpoena or order of a court, Regulatory Organization or other governmental entity of competent jurisdiction, provided that the Employee shall first promptly notify the Company if the Employee receives a subpoena, court order or other order requiring any such disclosure, to allow the Company to seek protection therefrom in advance of any such legally compelled disclosure.
- 8.3 By the Employee’s execution of this Agreement, the Employee hereby agrees to abide by the Intellectual Property Agreement attached as Schedule 2 hereto and hereby made a part of this Agreement.
- 8.4 Except as expressly authorized by the Company in furtherance of the Employee’s employment duties, the Employee shall not, at any time during the Employee’s

- (b) perform services or provide products relating to and competitive with the Business for or to, or accept or facilitate the acceptance of orders or instructions relating to and competitive with the Business from, any Ceding Insurer Client or Investor or Prospective Ceding Insurer Client or Investor (as defined below); or
- (c) solicit any Ceding Insurer Client or Investor or Prospective Ceding Insurer Client or Investor for the purpose of performing or providing or facilitating the performance or provision of any services or products, or accepting or facilitating the acceptance of orders or instructions, relating to and competitive with the Business; or
- (d) induce, solicit, or attempt to persuade any employee, consultant or other agent of the Company or any of its affiliates to terminate his, her or its employment, consultancy or other relationship or association with the Company or any such affiliate in order to enter into any employment or consulting relationship with or perform services for any other person or entity; or
- (e) induce, solicit, or attempt to persuade any supplier, vendor or other person or entity with which the Company or any of its affiliates has a business relationship to terminate, restrict or otherwise modify its business relationship with the Company or its affiliates.

8.5 Notwithstanding the foregoing, nothing in this Section 8 shall prohibit the Employee from owning not in excess of two percent (2%) in the aggregate of any class of capital stock or other ownership interests of any company if such stock or other ownership interests are publicly traded and listed on any national or regional stock exchange.

8.6 As used in this Section 8:

- (a) “Ceding Insurer Client or Investor” means any ceding insurer client of the Company or any of its affiliates, any investor in any collective investment scheme

then managed or operated by the Company or any of its affiliates, or any person or entity whose investment portfolio or assets are or were managed by the Company or any of its affiliates, in each case with respect to whom, at any time during the twenty-four (24) month period preceding the termination of the Employee's employment, the Employee: (i) had material business dealings, or (ii) acquired or had access to Confidential Information, in each case in the course of his employment with the Company or any of its affiliates (or, prior to the Effective Date, in the course of his employment with CATCo Investment Management Ltd. or any of its affiliates).

- (b) "Prospective Ceding Insurer Client or Investor" means any person or entity other than a Ceding Insurer Client or Investor with respect to which, at any time during the twelve (12) month period preceding the termination of the Employee's employment, the Employee: (i) submitted or assisted in the submission of a presentation or proposal of any kind in respect of the management of its insurance or reinsurance exposures or its investment portfolio or assets, as applicable, or (ii) had substantial contact or acquired or had access to Confidential Information, in each case as a result of or in connection with the Employee's employment with the Company or any of its affiliates (or, prior to the Effective Date, as a result of or in connection with the Employee's employment with CATCo Investment Management Ltd. or any of its affiliates).

- 8.7 Promptly upon termination of the Employee's employment by either party for any or no reason, or, if earlier, upon request of the Company, the Employee shall return to the Company any and all property of the Company, its affiliates, or the actual and prospective ceding insurer clients or investors of any of them, including without limitation any documents or things containing any Confidential Information, computer programs and drives or storage devices of any kind (portable or otherwise), minutes, memoranda, correspondence, files, forms, notes, records, charts, or any copies thereof (in whatsoever form held and whether or not held on computer storage media), further including without limitation any and all laptops and other computer equipment, blackberries and similar devices, cellphones, credit cards, keys and other access cards, and electronic and hardcopy files.
- 8.8 Following termination of the Employee's employment by either party for any or no reason, the Employee shall refrain from all conduct, verbal or otherwise, that disparages or damages the reputation, goodwill or standing in the community of the Company, any of its affiliates or their respective businesses or representatives.
- 8.9 The parties agree that in the event any of the prohibitions or restrictions set forth in this Section 8 (including without limitation in Schedule 2) are found by a court of competent jurisdiction to be unreasonable or otherwise unenforceable, it is the purpose and intent of the parties that any such prohibitions or restrictions be deemed modified or limited so that, as modified or limited, such prohibitions or restrictions may be enforced to the fullest extent possible.

- 8.10 The Employee acknowledges and agrees that a breach of any provision of this Section 8 (including without limitation any provision of Schedule 2) will result in immediate and irreparable harm to the Company and its affiliates for which full damages cannot readily be calculated and for which damages are an inadequate remedy. Accordingly, the Employee agrees that the Company and its affiliates shall be entitled to injunctive relief to prevent any such actual or threatened breach or any continuing breach by the Employee (without posting a bond or other security), without limiting any other remedies that may be available to them. The Employee further agrees to reimburse the Company and its affiliates for all costs and expenditures, including but not limited to reasonable attorneys' fees and court costs, incurred by any of them in connection with the successful enforcement of any of their rights under this Section 8 (including without limitation Schedule 2).

9. **Termination**

- 9.1 Notwithstanding anything to the contrary in this Agreement, the Employee's employment and the Employment Period may be terminated at any time as provided in this Section 9:

- (a) The Employee's employment and the Employment Period may be terminated by the Company at any time for any or no reason, with or without Cause or advance notice and whether or not due to Incapacity (each as defined in Schedule 1). Any such termination of employment shall be effective upon written notice of such termination to the Employee.
- (b) The Employee's employment and the Employment Period shall automatically terminate upon the Employee's death.
- (c) Subject to Section 2.2 above, the Employee's employment shall automatically terminate upon the expiration of the Employment Period.

- 9.2 Upon termination of the Employment Period by either party for any or no reason, the Employee shall be deemed automatically to have resigned as of such effective termination date from any and all officer and director positions (if any) that the Employee then holds with the Company or any of its affiliates. The Board is irrevocably authorized to appoint another officer or director to act as the Employee's attorney in the Employee's name and on the Employee's behalf and to sign any documents or do any acts or things necessary or appropriate to effect such resignations.

10. **Compensation Upon Termination**

- 10.1 In the event of any termination of the Employee's employment and the Employment Period by either party for any or no reason (whether or not due to Cause or Incapacity) or due to the Employee's death: (a) the Employee shall receive any earned and unpaid base salary (and, if required by applicable law, earned and unused vacation pay) through the effective date of termination of the Employee's employment, payable by the next regularly scheduled payday after such effective termination date; (b) the Employee shall receive any unreimbursed expenses payable pursuant to this Agreement, provided that the Employee shall submit all requests to the Company for expense reimbursements within

thirty (30) calendar days after the effective date of termination of the Employee's employment; and (c) the Employee's participation in and rights under any applicable employee benefit plans will be governed by the terms and conditions of those plans (as in effect or amended from time to time) (collectively, the "Basic Separation Payments and Benefits").

- 10.2 The Employee's eligibility for certain Incentive Compensation (or a portion thereof), if any, in connection with a termination of Employee's employment is governed by and subject to the terms and conditions set forth in Schedule 1.
- 10.3 Except as expressly provided in this Agreement, the Employee shall not be entitled to, or receive, any severance pay or other amounts or benefits of any kind in the event of any termination by either party of the Employee's employment for any or no reason. Without limiting the generality of the foregoing, any termination of the Employee's employment due to the expiration of the Employment Period shall not constitute or be considered a termination without Cause, and shall not entitle the Employee to any amounts or benefits other than the Basic Separation Payments and Benefits.

11. **No Interference**

Notwithstanding any other provision of this Agreement, nothing in this Agreement shall prohibit the Employee from confidentially or otherwise (without informing the Company or its affiliates) communicating or filing a charge or complaint with a governmental entity, participating in a governmental investigation, or giving truthful testimony or disclosures to a governmental entity, or if properly subpoenaed or otherwise required to do so under applicable law.

12. **Withholding; Compliance with Internal Revenue Code Section 409A.**

- 12.1 All amounts and benefits payable under this Agreement shall be reduced by any and all required or authorized withholding and deductions.
- 12.2 This Agreement shall be interpreted and construed in a manner that avoids the imposition of taxes and other penalties under Section 409A of the Internal Revenue Code of 1986, as amended (such code referred to as the "Code," and such taxes and other penalties referred to collectively as "409A Penalties"), to the extent applicable. In the event that the terms of this Agreement would subject the Employee to 409A Penalties, the Company and the Employee shall cooperate diligently to amend the terms of this Agreement to avoid such 409A Penalties, to the extent possible. All references in this Agreement to the Employee's termination of employment shall mean a separation from service within the meaning of Section 409A of the Code. Each payment under this Agreement as a result of the separation of the Employee's service shall be considered a separate payment for purposes of Section 409A of the Code. Any reimbursement (including any advancement) payable to the Employee pursuant to this Agreement shall be conditioned on the submission by the Employee of all expense reports reasonably required by the Company under any applicable expense reimbursement policy, and shall be paid to the Employee within thirty (30) calendar days following receipt of such expense reports, but in no event

later than the last day of the calendar year following the calendar year in which the Employee incurred the reimbursable expense. Any amount of expenses eligible for reimbursement or in-kind benefit provided during a calendar year shall not affect the amount of expenses eligible for reimbursement or in-kind benefit to be provided during any other calendar year. The right to reimbursement or to an in-kind benefit pursuant to this Agreement shall not be subject to liquidation or exchange for any other benefit. Notwithstanding any of the foregoing provisions of this Section 12, under no circumstances shall the Company be responsible for any taxes, penalties, interest or other losses or expenses incurred by the Employee due to any failure to comply with Section 409A of the Code.

13. **Notices**

- 13.1 Any notice, request or other communication required or permitted to be given hereunder shall be made to the following addresses or to any other address designated by either of the parties hereto by notice similarly given: (a) if to the Company, to Markel Corporation, 4521 Highwoods Parkway, Glen Allen, VA 23060, United States of America, Attention: Richard R. The following terms shall have the following definitions for purposes of this Schedule 1 and the remainder of the Agreement:

- "Cause" means any of the following conduct by the Employee, as determined in good faith by the Company: (A) embezzlement, misappropriation of corporate funds, or other material acts of dishonesty; (B) conviction of any felony, or of any misdemeanor involving moral turpitude, or entry of a plea of guilty or nolo contendere to any such felony or misdemeanor; (C) engagement in any activity that the Employee knows or reasonably should know will or could materially harm the business or reputation of the Company or any of its affiliates; (D) refusal to perform or disregard of the Employee's duties and responsibilities, or failure to adhere to the Company's or any of its affiliates' applicable corporate codes, policies or procedures, as in effect or amended from time to time; or (E) material breach of the Agreement (including without limitation Section 8) or other material obligation to the Company or any of its affiliates (including without limitation the Seller Noncompetition Agreement). Notwithstanding the foregoing, the Company shall not terminate the Employee's employment pursuant to subparts (C), (D) or (E) above unless it first gives the Employee notice of and a reasonable opportunity to cure any such grounds for termination (provided that no such notice and cure opportunity shall be required as to any such grounds that are not reasonably susceptible to a cure under the circumstances).
- "Fee Income" means the aggregate management fee income, net of introducer fees, rebates and fee sharing arrangements, but before the deduction of the expenses incurred in operating the Company and any funds and insurance companies managed by the Company (collectively, the "Company Group") (including all salary costs and overheads), received by the Company Group over the entire Retention and

Performance Period, provided that for purposes of determining Fee Income hereunder, the Company shall disregard any fee income attributable to the business operations of any entity acquired by the Company during the Retention and Performance Period or to any other unusual or nonrecurring events occurring during such period. The Company's good faith determination of Fee Income shall be final and binding for purposes of determining the Employee's eligibility for, and the amount of, any Performance Element.

- "Incapacity" means such physical or mental condition of the Employee which renders or is expected to render the Employee incapable of performing the essential functions of the Employee's position hereunder with (to the extent required by law) or without reasonable accommodation for ninety (90) consecutive calendar days, or for one hundred twenty (120) calendar days (whether consecutive or not) within any one hundred eighty (180)-calendar-day period (in each case, except as otherwise provided by law), as determined in good faith by the Company upon consultation with a physician selected by the Company in its discretion. The Employee hereby agrees to submit to any reasonable medical examination(s) as may be recommended by the Company for the purpose of determining the existence or absence of Incapacity.
- "Retention and Performance Period" means the period that commences on January 1, 2016 and ends on (and including) December 31, 2018.

Continued Service Element

The Employee shall be eligible to receive a total gross aggregate Continued Service Element of the Incentive Compensation equal to US \$37,500,000. The Employee shall earn one-third (1/3) of such total gross aggregate Continued Service Element (i.e., US \$12,500,000) as of each of the following dates (each such date, a "vesting date," and each such payment, a "Retention Payment"):

- December 31, 2016;
- December 31, 2017; and
- December 31, 2018;

provided in each case that the Employee complies with this Agreement and the Seller Noncompetition Agreement and remains actively and continuously employed in good standing with the Company as of each such applicable vesting date (and subject to the remaining provisions below). Any such earned Retention Payment shall be paid within thirty (30) calendar days after the applicable vesting date upon which it becomes earned.

Performance Element

The Employee shall be eligible to receive a total gross aggregate target Performance Element of the Incentive Compensation based on Fee Income

received during the Retention and Performance Period, provided that the Employee complies with this Agreement and the Seller Noncompetition Agreement and remains actively and continuously employed in good standing with the Company throughout the Retention and Performance Period (and subject to the remaining provisions below).

The Performance Element for which the Employee is eligible shall be calculated as follows:

- (i) \$37,500,000 multiplied by (ii) the quotient of Fee Income divided by \$81,000,000.

(i.e., $\$37,500,000 \times (\text{Fee Income} / \$81,000,000)$)

Any Performance Element of the Incentive Compensation that becomes earned and payable hereunder shall be paid within thirty (30) calendar days after the last day of the Retention and Performance Period.

Termination Provisions

Notwithstanding the foregoing:

- (a) in the event the Company terminates the Employee's employment without Cause (and not due to Incapacity) with an effective termination date occurring prior to the last day of the Retention and Performance Period:
- (i) the Employee shall be deemed to have earned any and all then-unearned and unpaid Retention Payments as of such effective employment termination date, which shall then be paid to the Employee within thirty (30) calendar days after such effective employment termination date; and
 - (ii) the Employee shall remain eligible to receive the Performance Element (to be calculated and determined as provided above) as if the Employee's employment had continued in good standing through the end of the Retention and Performance Period (provided, however, that the Employee continues to comply with this Agreement and the Seller Noncompetition Agreement). Any Performance Element of the Incentive Compensation that becomes earned and payable hereunder shall be paid within thirty (30) calendar days after the last day of the Retention and Performance Period.
- (b) in the event the Employee's employment terminates due to his Incapacity or death with an effective termination date occurring prior to the last day of the Retention and Performance Period:
- (i) the Employee shall be deemed to have earned a pro-rated portion of the Continued Service Element of the Incentive Compensation calculated as (x) US \$37,500,000 multiplied by (y) a fraction, the

numerator of which is the number of completed calendar months during which the Employee was actively and continuously employed during the Retention and Performance Period and the denominator of which is thirty-six (36), reduced by (z) any and all Retention Payments then already paid to the Employee. Any such pro-rated portion of the Continued Service Element shall be paid to the Employee within thirty (30) calendar days after such effective employment termination date; and

- (ii) the Employee shall not be entitled to, or receive, any Performance Element of the Incentive Compensation (or any portion thereof).
- (c) in the event the Company terminates the Employee's employment for Cause, or the Employee resigns for any or no reason, in each case with an effective employment termination date prior to the last day of the Retention and Performance Period, or in the event the Employee at any time breaches any of the Employee's continuing post-employment obligations under the Agreement or the Seller Noncompetition Agreement, the Employee shall not be entitled to, or receive, any then-unearned or unpaid Retention Payments or any Performance Element of the Incentive Compensation (or any portion thereof).

SCHEDULE 2**INTELLECTUAL PROPERTY AGREEMENT**

As a material part of the consideration for my employment by Markel CATCo Investment Management Ltd. ("Company") and the salary and other compensation that I, Anthony Belisle, shall receive during my employment, I acknowledge and agree that, by my signature on the Employment Agreement ("Employment Agreement") to which this Intellectual Property Agreement ("Agreement") is attached as Schedule 2, I also agree to this Agreement's terms, which are deemed incorporated into and a part of the Employment Agreement:

1. (a) Company owns the sole and exclusive right, title and interest in and to any and all Works (as defined below), including without limitation any and all source code or other intellectual property and further including without limitation all copyrights, trademarks, service marks, trade names, slogans, patents, ideas, designs, concepts and other proprietary rights. Company's right, title and interest in and to the Works includes without limitation the sole and exclusive right to secure and own copyrights and maintain renewals throughout the world, and the right to modify and create derivative works of or from the Works without any payment of any kind to me. I agree that the Works shall be "work made for hire" as that term is defined in the copyright laws of the United States, and not works of joint ownership. To the extent that any of the Works is determined not to constitute work made for hire, or if any rights in any of the Works do not accrue to Company as a work made for hire, my signature on the Employment Agreement constitutes an assignment (without any further consideration) to Company of any and all of my respective copyrights and other rights, title and interest in and to all Works. I will disclose promptly to Company all Works, whether or not they are patentable, copyrightable or subject to trade secret protection.

(b) I will provide any assistance reasonably requested by Company to obtain United States and non-United States letters patent and copyright registrations covering inventions, original works of authorship and other Works belonging or assigned hereunder to Company. I will execute any transfers of ownership of letters patent or assignments of copyrights or other proprietary rights transferred or assigned hereunder (including without limitation short form assignments intended for recording with the U.S. Copyright Office, the U.S. Patent and Trademark Office, or any other person or entity). I understand that my obligations under this Section 1(b) shall survive any termination of this Agreement or of my employment by Company in perpetuity, provided that Company will compensate me at a reasonable rate for time actually spent performing such obligations at Company's request after any such termination. If Company is unable for any reason whatsoever, including my mental or physical incapacity, to secure my signature to apply for or to pursue any application for any United States or non-United States letters patent or copyright registrations or on any document transferring or assigning any patent, copyright or other proprietary right that I am obligated hereunder to transfer or assign, I hereby irrevocably designate and appoint

Company and its duly authorized officers and agents as my agent and attorney in fact, to act for and on my behalf and in my stead to execute and file any such applications and documents and to do all other lawfully permitted acts to further the prosecution and issuance of letters patent or copyright registrations or transfers or assignments thereof or of any other proprietary rights with the same legal force and effect as if executed by me. This appointment is coupled with an interest in and to the inventions, works of authorship, trade secrets and other Works to which any proprietary rights may apply and shall survive my death or disability.

(c) As used in this Agreement, "Works" means (i) any inventions, developments, improvements, trade secrets, ideas or original works of authorship that I conceive, create, develop, discover, make, acquire or reduce to practice in whole or in part, either solely or jointly with another or others, during or pursuant to the course of my employment by Company and that relate to Company or any of its affiliates or their respective businesses, or to Company's or any of its affiliates' actual or demonstrably anticipated research or development, (ii) any inventions, developments, improvements, trade secrets, ideas or original works of authorship that I conceive, create, develop, discover, make, acquire or reduce to practice in whole or in part, either solely or jointly with another or others, during or pursuant to the course of my employment by Company and that are made through the use of any of Company's or any of its affiliates' equipment, facilities, supplies, trade secrets or time, or that result from any work performed for Company or any of its affiliates, and (iii) any part or aspect of any of the foregoing.

2. I have been notified by Company, and understand, that the foregoing provisions of Section 1 do not apply to an invention for which no equipment, supplies, facilities or trade secret information of Company or any of its affiliates was used and which was developed entirely on my own time, unless: (a) the invention relates (i) to the business of Company or any of its affiliates or (ii) to Company's or any of its affiliates' actual or demonstrably anticipated research and development, or (b) the invention results from any work performed by me for Company or any of its affiliates. I have listed and described on an attached page all inventions of my own to which I claim Section 1 does not apply. If no such page is attached and signed by me and an authorized Company representative, no such inventions exist.
